Award-winning transformation of this stunning double-fronted freestanding 4 bedroom residence by architect Steven Whiting has resulted in an unforgettable family home that flawlessly merges period elegance with inspired designer style. Positioned on a wide tree lined street, just moments to Albert Park Village it features a glorious garden oasis designed by Rick Eckersley with off street parking. The arched entrance hall featuring high ceilings and dark timber floors flows through to a generous sitting room or 4th bedroom with fireplace and built in robe, 2 additional bedrooms with robes and an ultra stylish bathroom. Cleverly embracing a "stables" concept inside and out the second storey beneath vaulted ceilings forms a tranquil parents zone with fitted home office, cosy retreat with a serene day bed, walk through robes and a spectacular ensuite boasting unique floor tiles and a claw-foot bath. Oak floors are featured in the impressively spacious living and dining room with wood fire heater and a sleek gourmet kitchen appointed with Carrara marble benches, Miele/Barazza appliances, a study nook, butler's pantry and laundry. A bank of black steel framed French doors open the living spaces to the picturesque private west-facing leafy garden with BBQ deck. Enviably close to Albert Park Lake, the beach, MSAC, the light rail, trams and schools. Features bespoke joinery, plantation shutters, central heating/cooling, powder room, remote outdoor blind and 2 garden sheds plus storage.
